| <b>Autumn 1</b> | <b>Drawing</b><br><b>KS1</b> To become proficient in drawing techniques.<br>To use drawing to develop and share their ideas, experiences and imagination.<br><b>KS2</b> To become proficient in drawing techniques.<br>To improve their mastery of art and design techniques, including drawing, with a range of materials.                                                                                                              | <b>Painting</b><br><b>KS1</b> To become proficient in painting techniques.<br>To use painting to develop and share their ideas, experiences and imagination.<br><b>KS2</b> To become proficient in painting techniques.<br>To improve their mastery of art and design techniques, including painting with a range of materials.                                                                                                                                                   |
| <b>Autumn 2</b> | <b>Printing</b><br><b>KS1</b> To become proficient in other art, craft and design techniques – printing.<br>To develop a wide range of art and design techniques in using colour and texture.<br><b>KS2</b> To improve their mastery of art and design techniques with a range of materials – printing.                                                                                                                                  | <b>Collage</b><br><b>KS1</b> To become proficient in other art, craft and design techniques – collage.<br>To develop a wide range of art and design techniques in using texture, line, shape, form and space.<br><b>KS2</b> To improve their mastery of art and design techniques with a range of materials – collage.                                                                                                                                                            |
| <b>Spring</b>   | <b>Fairgrounds</b><br><b>KS1</b> To build structures, exploring how they can be made stronger, stiffer and more stable<br><b>LKS2</b> To understand and use mechanical systems (belts and pulleys)<br><b>UKS2</b> To understand and use mechanical systems (cam mechanism)                                                                                                                                                               | <b>Moving parts</b><br><b>KS1</b> To explore and use mechanisms (lever)<br><b>KS2</b> To apply understanding of how to strengthen, stiffen and reinforce more complex structures (linkage)                                                                                                                                                                                                                                                                                        |
| <b>Summer 1</b> | <b>Sculpture</b><br><b>KS1</b> To become proficient in sculpting techniques.<br>To use sculpture to develop and share their ideas, experiences and imagination.<br><b>KS2</b> To become proficient in sculpting techniques.<br>To improve their mastery of art and design techniques, including sculpting with a range of materials.                                                                                                     | <b>Textiles</b><br><b>KS1</b> To cut, shape and join fabric to make a simple product.<br>To manipulate fabrics in simple ways to create the desired effect. To use a basic running stitch.<br><b>KS2</b> To demonstrate how to measure, make a seam allowance, tape, pin, cut, shape and join fabric with precision to make a simple/more complex product.<br>To join textiles using an appropriate/greater variety of stitches, such as backstitch, whip stitch, blanket stitch. |
| <b>Summer 2</b> | <b>All about food</b><br><b>KS1</b> To use the basic principles of a healthy and varied diet to prepare dishes. To understand where food comes from.<br><b>KS2</b> To understand and apply the principles of a healthy and varied diet. To prepare and cook a variety of dishes using a range of cooking techniques. To understand seasonality, and know where and how a variety of ingredients are grown, reared, caught and processed. | <b>Structures</b><br><b>KS1</b> To build structures, exploring how they can be made stronger, stiffer and more stable.<br><b>KS2</b> To apply understanding of how to strengthen, stiffen and reinforce more complex structures (strengthening, 3D shapes, nets)                                                                                                                                                                                                                  |
