

Geography – Year 2

Objective	What it looks like
Understand geographical similarities and differences through studying the human and physical geography of a small area of the United Kingdom, and of a small area in a contrasting non-European country	Who is important to me? How is my family unique? Where were my family born?
Use world maps, atlases and globes to identify the United Kingdom and its countries, as well as the countries, continents and oceans studied at this key stage	Who is important to me? How is my family unique? Where were my family born?
Use simple fieldwork and observational skills to study the geography of their school and its grounds and the key human and physical features of its surrounding environment.	Local area study – St Edmund's Academy and Greenpark Academy comparison
Use aerial photographs and plan perspectives to recognise landmarks and basic human and physical features; devise a simple map; and use and construct basic symbols in a key	Local area study – St Edmund's Academy and Greenpark Academy comparison
