

**Geography – Nightingale Class
Autumn 2
Exploration**

Objective	What it looks like
Name and locate the world's seven continents and five oceans.	We will explore the oceans on Christopher Columbus' voyage to discover the Americas.
Understand geographical similarities and differences through studying the human and physical geography of a small area of the United Kingdom, and of a small area in a contrasting non-European country	We will compare the United Kingdom with the Americas.
Use world maps, atlases and globes to identify the United Kingdom and its countries, as well as the countries, continents and oceans studied at this key stage	We will use world maps and atlas to look at the route he took and compare the sizes of countries and continents.
