

Geography Summer 2
Y3/4
History of Sport

| Objective | What it looks like |
|---|---|
| To locate the main countries in Europe on a map. | Look at the map of this year's Tour de France. What countries does the route go through? Locate them in an atlas. |
| To use maps, atlases, globes and digital /computer mapping to locate countries. | Find some of the places on the route using a variety of sources e.g. google maps, globes etc. |
| To identify key physical characteristics of an area in Europe. | Using the Tour de France website look at the description of some of the stages. What do you think this means for a cyclist? |
| To compare physical features of an area in Europe and an area in Britain. | Compare the map of Tour de Yorkshire with that of the Tour de France. |
